The Securities & Exchange Rules 1987;
The Securities & Exchange Ordinance 1969;
The Regulations of Dhaka Stock Exchange Limited and Chittagong Stock Exchange Limited;
The Income Tax Ordinance 1984;
The Income Tax Rules 1984;
The Value Added Tax Act 1991;
The Value Added Tax Rules 1991;
The Customs Act 1969.

**3.3 Structure, content and presentation of financial statements**

Being the general purpose financial statements, the presentation of these financial statements is in accordance with the guidelines provided by BAS 1: "Presentation of Financial Statements". A complete set of financial statements comprises:

i) Statement of Financial Position;
ii) Statement of Profit or Loss and Other Comprehensive Income;
iii) Statement of Changes in Equity;
iv) Statement of Cash Flows;
v) Notes comprising a summary of significant accounting policies and other explanatory information to the financial statements.

**3.4 Basis of measurement of elements of financial statements**

The financial statements have been prepared on the historical cost basis, and therefore, do not take into consideration the effect of inflation except that arising from revaluation of land, building and machineries as specified in note 6. The accounting policies, unless otherwise stated, have been consistently applied by the Company and are consistent with those of the previous period.

**3.5 Functional and presentation currency**

These financial statements are presented in Bangladesh Taka (BDT/Taka/Tk) which is both functional and presentation currency.

**3.6 Risk and uncertainty for use of estimates and judgment**

The preparation of financial statements in conformity with Bangladesh Accounting Standards requires management to make judgment, estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses as well as the application of accounting policies. Uncertainty about these assumptions and estimates could result in outcomes that may require adjustment to the carrying amount of assets or liabilities affected in future period.

Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions of accounting estimates are recognized in the period in which the estimates are revised as required by BAS 8: "Accounting Policies, Changes in Accounting Estimates and Errors".

**3.7 Going concern**

As per BAS-1 para 25, a company is required to make assessment at the end of each period to assess its capability to continue as a going concern. Management of the Company makes such assessment each period. The company has adequate resources to continue in operation for the foreseeable future and has wide coverage against its liabilities. For this reason, the directors continue to adopt the going concern assumption while preparing the financial statements.

**3.8 Accrual basis**

The financial statements have been prepared, except cash flow information, using the accrual basis of accounting.

### 3.9 Reporting period

The financial statements of the company covers a period from 1 July 2017 to 31 March 2018. To comply with the Income Tax Ordinance 1984 and other regulatory guideline, the company has changed it's financial statements reporting period to 'July to June' from 'January to December' that prevailed upto 31 December 2015.

## 4 Significant accounting policies

The accounting policies set out below have been applied consistently to all periods presented in these financial statements.

### 4.1 Foreign currency transaction and translation

At the end of each reporting period in compliance with the provision of BAS 21: The effects of changes in Foreign Exchange Rates:

(a) Foreign currency monetary items are translated using the closing rate.

(b) Non-monetary items that are measured in terms of historical costs in a foreign currency are translated using the exchange rate at the date of the transaction.

(c) Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rate at the date when the fair value is determined.

Exchange differences arising on the settlement of monetary items or on translating monetary items at rate different from those at which they were translated on initial recognition during the period or in previous financial statements is recognized in profit or loss in the period in which they arise.

### 4.2 Property, plant and equipment

**Initial recognition and measurement**

Property, plant and equipment are capitalized at cost of acquisition and subsequently stated at cost or valuation less accumulated depreciation in compliance with the requirements of BAS 16: Property, Plant and Equipment. The cost of acquisition of an asset comprises its purchase price and any directly attributable cost of bringing the assets to its working condition for its intended use inclusive of inward freight, duties, non-refundable taxes and un-allocated expenditures etc. On 30 September 2011, the land & land development and building have been revalued by an independent valuer to reflect fair value (prevailing market price) thereof following “current cost method”. As the fair value of the assets do not differ significantly from its carrying amount as of 31 March 2018, so no revaluation has been made during the period ended 31 March 2018.

**Subsequent costs**

The cost of replacing part of an item of property, plant and equipments is recognized in the carrying amount of an item if it is probable that the future economic benefits embodied within the part will flow to the company and its cost can be measured reliably. The costs of the day-to-day servicing of property, plant and equipment are recognized in the profit and loss account as repair and maintenance when it is incurred.

**Depreciation on fixed assets**

Depreciation is provided to amortize the cost or valuation of the assets after commissioning, over the period of their expected useful lives, in accordance with the provisions of BAS 16: Property, plant and equipment. Full period depreciation is charged regardless of the date of acquisition. No depreciation is charged in the period of disposal regardless of the date of disposal. Depreciation of assets begins when it is available for use. Depreciation is charged on all fixed assets except land and land developments on reducing balance method.

| Particular of Assets | Rate of depreciation |
|---|---|
| Buildings and other civil constructions | 1.25% |
| Hotel furniture | 5% |
| Hotel equipment | 5% |
| Office furniture and equipment | 5% |
| Motor vehicles | 5% |

The gain or losses on disposal or retirement of assets are included in profit or loss when the item is disposed off/derecognized.

**Revaluation of fixed assets**

The company made revaluation of company's land and land developments in conformity with paragraphs 31 and 34 of BAS 16: Property, plant and equipment and to reflect fair value of the property in terms of the prevailing market price of the properties under current cost method details of which are as follows:

| Particulars of the assets | Name of the valuer | Qualification of the valuer | Date of revaluation | The carrying amount of assets as on 30.09.2011 | Value of assets after revaluation as on 30.09.2011 | Revaluation surplus |
|---|---|---|---|---|---|---|
| Land & Land Development | Ata Khan & Co. | Chartered Accountants | 30-Sep-11 | 3,388,296,912 | 5,664,596,600 | 2,276,299,688 |
| Building | Ata Khan & Co. | Chartered Accountants | 30-Sep-11 | 5,415,829,221 | 11,420,259,375 | 6,004,430,154 |
| **Total** | | | | **8,804,126,133** | **17,084,855,975** | **8,280,729,842** |

The increase in the carrying amount of revalued assets is recognized in the separate component of equity under the head Revaluation Surplus. However, the increase is recognized in profit or loss account to the extent that it reverses a revaluation decrease of the same assets previously recognized in profit or loss account. A sum of revaluation surplus is transferred directly to equity each period in line with para 41 of BAS 16: Property, plant and equipment' as the asset is used by the company. The amount of the revaluation surplus transferred would be the differences between the depreciation based on the revalued carrying amount of the asset and the depreciation based on the asset's original cost. Transfer from revaluation surplus to retained earnings is not made through profit or loss.

Other fixed assets were kept outside the scope of the revaluation works. These are expected to be realizable at written down value (WDV) as mentioned in the balance sheet of the company. As the fair value of the assets do not differ significantly from its carrying amount as of 31 March 2018, so no revaluation has been made on 31 March 2018.

**4.3 Capital works in-progress**

Property, plant and equipment under construction are accounted for as capital works in progress until completion of construction are measured at cost. In conformity with BAS 16: Property, plant and equipment no depreciation is charged on capital work in progress as it is not ready for use.

**4.4 Inventories**

Inventories (stock and stores) are measured at the lower of cost and net realizable value. The cost of inventory is assigned by using average cost formula. The cost of inventories consists of purchase, costs of conversion, import duties and other non-refundable taxes and other costs incurred in bringing the inventories to their present location and condition.

**4.5 Cash and cash equivalents**

Cash and cash equivalents consists of cash in hand and with banks on current and deposit accounts and short-term investments and with Brokerage house which are held and available for use by the company without any restriction. There is insignificant risk of change in value of the same.

**4.6 Accounts and other receivable**

Accounts and other receivable are initially recognized at cost which is the fair value of the consideration given in return. After initial recognition these are carried at cost less impairment losses due to uncollectible of any amount so recognized.

**4.7 Earnings per share (EPS)**

**Basic earnings per share:**

Earnings per share is calculated in accordance with BAS 33 "Earnings per share" by dividing the profit or loss attributable to ordinary shareholders of the Company by the number of ordinary shares outstanding during the period.

**Diluted earnings per share:**

Diluted EPS is determined by adjusting the profit or loss attributable to ordinary shareholders and weighted average number of shares outstanding, for the effect of all dilutive potential of ordianary shares. However, dilution of EPS is not applicable for these financial statemnents as there was no dilutive potential during the relevant periods.

**4.8 Revenue**

Revenue (room rent, sales proceeds of beverage, income from laundry and shop rental) is recognized at fair value of the consideration received or receivable in the period during which the services are provided. Revenue is recognized net of value added tax, supplementary duty and service charge collectible from clients as well as rebate and discount allowed to customers in compliance with the requirements of BAS 18: "Revenue".

**4.9 Employee's benefits**

According to the existing policy, the employees of the company working at The Westin Dhaka premises who have completed the required length of services are paid gratuity which is calculated on the last basic salary of the outgoing employees.

**4.10 Impairment of assets**

All assets except inventory, assets arising from construction contracts and financial assets are assessed at the end of each reporting period to determine whether there is any indication that an asset may be impaired. If any such indication exists the company assesses the recoverable amount. If, and only if, the recoverable amount of an asset is less than its carrying amount, the carrying amount of the assets is reduced to its recoverable amount. The reduction is an impairment loss as per BAS 36: Impairment of Assets.

An impairment loss is recognized immediately in profit or loss, unless the asset is carried at revalued amount in accordance with another standard. Any impairment loss of a revalued asset is treated as a revaluation decrease. No such assets have been impaired during the period and for this reason no provision has been made for impairment of assets.

**4.11 Borrowing cost**

Borrowing costs are interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing costs that are directly attributable to the acquisition, construction or production of qualifying assets are recognized as a part of the qualifying assets. Other borrowing costs are recognized as an expense in the period in which it incurs in accordance with BAS-23 "Borrowing Costs".

**4.12 Authorization date for issuing financial statements**

The financial statements were authorized by the Board of Directors on 26 April 2018 for issue after completion of review.

**4.13 Provisions, accrued expenses and other payables**

Provisions and accrued expenses are recognized in the financial statements in line with the Bangladesh Accounting Standard (BAS) 37 "*Provisions, contingent liabilities and contingent assets*" when

- the company has a legal or constructive obligation as a result of past event.
- it is probable that an outflow of economic benefit will be required to settle the obligation.
- a reliable estimate can be made of the amount of the obligation.

Other payables are not interest bearing and are stated at their nominal value.

**4.14 Financial instruments**

Non-derivative financial instruments comprise accounts and other receivables, cash and cash equivalents, fixed deposit receipts, borrowings and other payables are shown at transaction cost.

**Initial recognition**

An entity recognizes a financial assets or liabilities in its statement of financial position when, and only when, the entity becomes a party to the contractual provision of the instrument.

**Subsequent measurement**

Financial assets and the gain or loss thereof from changes in the fair value after initial recognition is treated as follows:

| Asset Category | Description | Measurement after | Gains and losses |
|---|---|---|---|
| Financial assets available-for-sale (AFS): Investment in shares | Available-for-sale financial assets are non-derivative financial assets that are designated as available-for-sale or not classified in any other category i.e. i.Financial assets at fair value through profit or loss, ii. Held to maturity financial assets iii. Loans and receivables. Investment in shares has been reclassified to AFS from its previos category, financial assets at fair value through profit or loss as it better reflects the consistency in performance as well as free from market volatality. | Fair Value | In other comprehensive income |
| Loans and receivables: 1.Accounts receivable 2.Unquoted shares 3.Other receivable | Non-derivative financial assets with fixed or determinable payments that are: * Not quoted in an active market * Not designated as at fair value through profit or loss * Not held for trading or designated as available for sale (i.e. loans and receivables are none of the above) | Amortized cost | In profit or loss |
| Held-to-maturity investments: 1. Fixed deposit receipts | Non-derivative financial assets with fixed or determinable payments and fixed maturity that an entity has the positive intention and ability to hold the maturity and are not designated or classified under any of the other headings. | Amortized cost | In profit or loss |

**4.15 Operating segments reporting**

Operating segments reporting is not applicable for the Company as required by BFRS 8: "Operating Segments ", as the company operates in a single industry segment.

**4.16 Statement of cash flows**

The statement of cash flows has been prepared in accordance with requirements of BAS 7: Statement of cash flows. The cash generated from operating activities has been prepared using the "Direct Method" as prescribed by Securities and Exchange Rules and the benchmark treatments of BAS 7.

**4.17 Related party disclosures**

The Company carried out a number of transactions with related parties in the normal course of business and on arm's length basis. The information as required by BAS 24: "Related party disclosures" has been disclosed in a separate notes to the financial statements (Note 34).

**4.18 Taxation:**

**Current tax liability :**

Current tax is the expected tax payable on the taxable income for the period, using the tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous periods. As per section 46 A (3) of the Income Tax Ordinance 1984, the Company has enjoyed Tax holiday for 4 (four) periods from 1 July 2007 to 30 June 2011 vide NBR Order No. 11/(73) Anu-1/2007 dated 24th January 2008. The Provision for current tax on the profit for the period from 1 July 2017 to 31 March 2018 has been made in the financial statements (Note-32).

**Deferred tax liability:**

Deferred tax liabilities is the amount of income taxes payable in future period in respect of taxable temporary difference. A deferred tax liability is recognized for all taxable temporary differences, except to the extent that the deferred tax liability arises from:

(a) The initial recognition of goodwill; or
(b) The initial recognition of an asset or liability in a transaction which;
(i) Is not a business combination; and
(ii) At the time of the transaction, affects neither accounting profit nor taxable profit (loss)

Deferred tax liability is measured at the tax rates that are expected to apply to the period when the assets are realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

**4.19 Contingent assets and liabilities**

A contingent asset is disclosed when it is a possible asset that arises from the past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

A contingent liability is disclosed when it is a possible obligation that arises from the past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity.

The company has no contingent assets or liabilities which require disclosure under BAS 37. Contingent assets and contingent liabilities are not recognized in the financial statements.

A contingent assets is disclosed in accordance with BAS 37, where an inflow of or economic benefits is probable. A contingent liability is disclosed unless the possibility of an outflow of resources embodying economic benefits is remote.

**4.20 Events after the reporting period**

The amount of proposed dividend has not been accounted for but disclosed in the notes to the accounts along with dividend on share in accordance with the requirements of the para 125 of BAS 1: Presentation of financial statements. Also, the proposed dividend has not been considered as liability in accordance with the requirements of the para 12 & 13 of BAS 10: Events after the reporting period, because no obligation exists at the time approval of accounts and recommendation of dividend by the Board of Directors.

**4.21 Comparative information**

Relevant comparative information has been presented in the financial statements. Previous period's figures have been rearranged/reclassified and wherever possible and considered necessary to confirm to current period's presentation.

## 5. Risk exposure

### 5.1 Interest rate risk

Interest rate risk is that which the company faces due to unfavorable movements of the interest rates. Changes in the government's monetary policy, along with increased demand for loans/investments tend to increase the interest rates. Such rises in interest rates mostly affect companies having floating rate loans or companies investing in debt securities.

**Management perception:**

Since the Unique Hotel & Resorts Limited has not borrowed funds at flexible interest rate, hence, not involved in the interest rate risk. The company has been repaying borrowed funds on a continuous basis.

### 5.2 Exchange rate risk

Exchange rate risk arises due to changes in exchange rates. As the Company imports equipment from abroad and also earns revenue in foreign currency, unfavorable volatility or currency fluctuation may affect the profitability of the Company. When exchange rate is increased against local currency opportunity is created for generating more profit.

**Management perception:**

Unique Hotel & Resorts Limited management changes the price of their services to cope with the change in exchange rate to mitigate the affect of unfavorable volatility in exchange rate on the company's earnings.

### 5.3 Industry risks

Industry risk refers to the risk of increased competition from foreign and domestic sources leading to lower prices, revenues, profit margins, market shares etc. which could have an adverse impact on the business, financial condition and results of operation.

**Management perception:**

The Company continuously carries out research and development (R&D) to keep pace with the customer choices and fashions.

### 5.4 Market risks

Market risk refers to the risk of adverse market conditions affecting the sales and profitability of the company. Mostly, the risk arises from falling demand for the product or service which would harm the performance of the company. On the other hand, strong marketing and brand management would help the company increase their customer base.

**Management perception:**

The company's brand "Westin" has a very strong image in the local and international market. Westin Asia Management Co. (a fully-owned subsidiary of Starwood Hotel and Resorts Worldwide Inc.) also has the reputation of providing quality hotel management services. Moreover, the demand for five star hotels in the country is increasing while there are very few five star hotels to meet the demand. Strong brand management and quality service has enabled the company to capture significant market share in the sector and the company is continuously penetrating into the market and upgrading the quality of their service to minimize the risk.

### 5.5 Operational risks

Non-availabilities of materials/equipment/services may affect the smooth operational activities of the Company. On the other hand, the equipment may face operational and mechanical failures due to natural disasters, terrorist attacks, unforeseen events, lack of supervision and negligence, leading to severe accidents and losses.

**Management perception:**

The Company is equipped with power backup and security (CCTV) systems, which reduce operational risk. Besides, the equipment is under insurance coverage in order to get reasonable compensation for any damages. Apart from these, routine security check and proper maintenance of the equipment also reduce/eliminate the operational risk.
